REMARKS:  for information.

- ① Apologize for bothering you with attached which is, however, significant.
- ② Differentiating per your suggestion:
 - a. Translation Service = required specified translation, whereas,
 - b. Exploitation = required specified information (example attached).

4 August 1952

MEMORANDUM FOR THE RECORD:

SUBJECT: ORR Requirement

REFERENCE: NIE 65

25X1A

1. The Office of the AD/RR [redacted] who currently is checkpoint for analyst's information requirements on FDD, and also is [potentially influential] Chairman of the "Working Group on Economic Foreign Language Documents" under [redacted] telephonically this date expressed urgent need for FDD service which ORR believes will fill gaps concerning textile end-products in NIE-65.

25X1A

2. * Accordingly, Acting Chief, FDD, will arrange at once for EE Branch [redacted] FDD, to cooperate with the Food and Agriculture Branch [redacted], Materials Division, ORR for provision of desired information contained in Hungarian, Polish and Czech Yearbooks "not removable from the old Post Office Building Library".

25X1A

25X1A

25X1A

3. Per undersigned's suggestion, [redacted] hereafter will save time and avoid misunderstanding by serving such requests (for information, i.e., "exploitation" as against translation service) directly on FDD without consulting this Office.

25X1A

[redacted] asking only for oral FDD report to the ORR branch concerned signifies his complete disregard for the other CIA and IAC Offices and Agencies' needs for unevaluated information. If FDD anti-duplication Dex-check shows the information in these yearbooks is not already available, it will be given in OO-W Report as well as in advance orally to [redacted] of ORR.

25X1A

25X1A

4. [redacted] describing subject requirement, a routine one, as "an analyst's unusual need for FDD assistance", shows that both he and FDD will benefit from the visit by [redacted] to FDD planned by P & C, OO, for next week.

25X1A

25X1A

P & C Staff

cc: Chief, FDD

* In ordinary requirement, given at expense of two AD's Office time, revert to the Branches where normally it would have stayed for quicker solution.
CONFIDENTIAL
